New York Central and New Haven Yardmen Quit, Tying Up All Freight-Tube Workers Vote To-Day on Strike-Jersey Trains Stopped.

The so-called "headless strike" of the switching crews in the yards of all the rattroads with terminals in and about New York brought outgoing and incoming freight traffic nearly to a standstill to-day and seriously interfered with the handling of passenger trains.

The strike, without the authority of any of the international railroad brotherhoods, without a statement of grievances and without warning. reached New York City late last night from Chicago, from which city

is being taken this atternoon. Strike sentiment seemed to prevail.

### YOUTHFUL SOLDIER IS LEADER OF NEW "OUTLAW" UNION

Formed United Enginemen's Association Six Weeks Ago and Now Claims 14,000 Members.

rissental to Tree townstrue World.) CHICAGO, April 9. 12 REMADENG, new leader of the United Enginemen's Association, composed of former members of the Brotherhood of Locounctive Piremen and Engineers, is one of the youngest men in railroad service. He is also one of the youngest voterans of the late world was and was among the first to go over the top. He went over as a gerviele and curre disting as a First Lieutenant.

Ho asserts more than 14,000 engineers, firemen, hostlers, yardmen and roundhouse men have esgued up in his organization, which is declares will soon be national in its scope.

With a handful of men he started the "refled" union six weether ago. He is now one of the more paymenful of the new leadors to the labor world. His men want to fiving wings and recognition of their organization tofore they will return to work.

The wage domands are \$1 a hour tor firemen and \$1.25 for engineers—the same, he points out, as is paid carpenters, cricians. He said the men seceded from the "Hig four" brotherheads because the officers of the old regime failed to obtain a sathractory adjustment of the attenti'm wardto resterostar

#### 980,000 WORKERS TO MAKE DEMANDS FOR HIGHER WAGES

Declare They Cannot Live on Present Scale and Will Cive Cornpanies 15 Days to Raise It.

CHICAGO, April 9 .-- Wage demands by the Finns hast month while trying to loave Russia discussed as a stoker numbering 380,000, will be pushed imaboard a steamship. Cable reports said mediately an the result of the apread a large number of diamonds and a of "outlaw" strikes of switchmen and quantity of Robbeviki propaganda, requirement G. A. Worrell, General except to keep curious onlookers by the factor only filling was found on the Railway Curka Orbital Chairman of the Railway Curka Chairman of the Railway Curka Chairman of the Railway Chairman of the

Every

it has been spreading over the country, for several days. A strike vote of the workers of the Hudson and Marmatran haves

> At a man mostley of strikers from the switchmen and jard worken this afternoon at Grand View Mail, Jersey City, some of the sendership of the "headless strike" oasled in definion of the advice and orders of the hitherto recognized officials of the raitways brotherhoods was distiosed. The strike practically halted all freight

truffic, delayed all passenger trains and seemed likely to spread to the Hudson tubes. After noisily untar invarious halls in Jersey City, Hobeken and the Bronx during the morning plans were made, through Mayor Hague of Jersey City, for an afternoon meeting at Grand View Hall, for which arrangements were made at Fischer's Hall in Newark Avenue. Edward Rice of Chicago, a travelling representative of the American Pederation of Labor and an organizer of the Brotherhood of Railway Patrolmen (trackwalkers and wutchmen), appeared at this meeting. It was made known that flice headed the delegation which cause from Chreage and other cities of the West yester-

day and pussed the sudden and unauthorized strike order. HUDSON TUBE WORKERS AT-TEND STRIKE MEETING.

With him met Thonnas B. Reary ind Joseph Straton of the Marine Affiliation and the Italiway Port and Cerminal Workers, Bernard Kennedy, Executive Committeeman of the Jermy City insurgent locals of the Brothrhood of Trainmen, and representaives of the Hudson and Manbattes. ube aystem,

Rice, who has the reputation of ming an offective speaker in stirring strike enthusinsm, was to make the principal address at the Grand View fall meeting and then come to this city to address the daily meeting of the harbor strikers at Webster Hall.

Railroad officials were not only surprised by the strike but bewildered by the evidences of careful preparation of which they learned during the day. It was tearned that not only was the strike message passed to the men appearing for work at the pards in the Bronx, Manhattan and New Jersey at eleven o'clock last night, test that delegations of picketts were out all night calling at the homes of men who were due to go to work on

Except for the mortings called at. halls there were no gatherings of strikers near the railreads, and the police posted about raffrond properties had no trouble with which to dest

mands to every factional in the United Chairman of the General Adjustment
